

LESSON 3

THE CHROMATIC SCALE

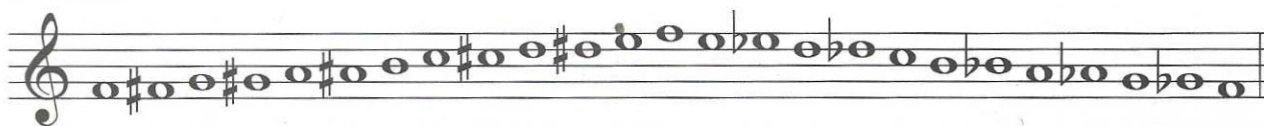

There are scales other than Major and minor. One of these is the **Chromatic Scale**.

The **CHROMATIC SCALE** includes all twelve notes. Each note is a half -step away from its neighbor.

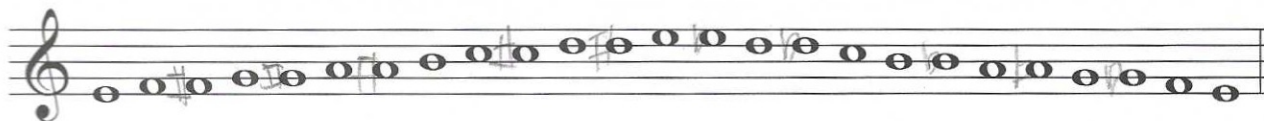

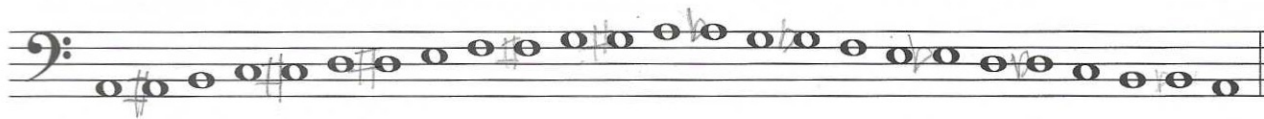

CHROMATIC SCALE BEGINNING ON F

When writing the Chromatic Scale on the staff, using sharps for the ascending scale and flats for the descending scale makes the scale easier to read and avoids the use of naturals.

CHROMATIC SCALE BEGINNING ON F

1. Draw sharps or flats before the correct notes to complete these chromatic scales.

2. Draw chromatic scales beginning on the following notes, ascending and descending.
